

Carrie Harviel, RVT, BS

Program Director, Veterinary Technology

As a brief introduction, I am a Registered Veterinary Technologist with a Bachelor's of Science degree in Veterinary Technology from North Dakota State University. I've been in the veterinary field for 15+ years in a variety of capacities: emergency medicine, cardiology, ophthalmology, general practice, small amount of shelter medicine, pet insurance and now education. I have taught now at 4 college campuses and have been in education for 7 years.

Speech Topics:

- Veterinary Medicine Career Topics
- Pet Ownership and Preventive Pet Care
