Cleveland, OH 44101-0966

The State of Ohio's "Forever Buckeye" provision extends the **in-county/out-of-county tuition** rate to Ohio high school graduates. Students must have the current legal status to remain permanently in the United States. This provision applies to students who had left Ohio but return to enroll in an Ohio public institution of higher education *and* who establish a primary residence in Ohio by the first day of classes of the requested term.

This application and all necessary supporting documentation must be submitted to the Enrollment Center by the **end of the 100% refund period for each term** in order for the change to be effective for that term. Residency is not retroactive to previous terms.
